FOREST NURSERY CO.
McMINNVILLE, TENNESSEE

J. R. Boyd, President
Telephone 234W

We offer for spring delivery the following list of first-class nursery stock in both finished and lining-out stock in Hardy Flowering Shrubs, Forest and Shade Trees, Evergreens and Vines. While we have a fairly good supply of most items offered, we advise early orders to insure that you get what you want before the supply is exhausted. We believe that good nursery stock planted out now will bring nice profits in the postwar period. Buy War Bonds and line out a nice assortment of nursery stock and you will have no financial worries when the smoke clears away and our boys come marching home after victory, which will be ours if we do our part as the boys in uniform are doing.

TERMS AND CONDITIONS: Five (5) per cent discount and free boxing and packing for cash with order. Free packing does not apply to balled and burlapped items. Open Accounts (on known or approved credit rating), two (2) per cent ten days; net, thirty days from date of shipment. C. O. D. orders must be accompanied by 25% cash.

Orders for less than ten of a variety or grade will be invoiced at an ADVANCE OF 25% OVER THE TEN RATE REGARDLESS OF THE SIZE OF THE ORDER, except in Conifers and Broadleaf Evergreens where the "per each" and "per 10" rates apply.

Prices in this list are subject to market changes without notice and cancel all previous printed prices.
We charge for boxing and baling at cost of material used. When stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. We are careful to keep our varieties true to name as labeled, and we will replace on proper proof, any stock that may prove otherwise, free of charge, or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. NO CLAIMS WILL BE CONSIDERED UNLESS MADE IN WRITING WITHIN TEN DAYS AFTER RECEIPT OF GOODS.

SHIPPING—We request our customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions, we use our best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

TRUCK SERVICE—We are in a position to make deliveries with our own truck and also have access to some local delivery trucks for hire and can make deliveries unless prevented by federal or state regulation laws or gas rationing. If interested in a truckload delivery, write us and we will try to make arrangements.

REFERENCE—Any bank or business house in McMinnville, the commercial agencies or any of the leading nurserymen in the United States. We will be glad to send samples for approval on any items on orders booked. Due to labor shortage and the extra cost of material and time, we will not send samples until we have an order for the stock, subject to approval of sample, which will be sent free on Shrubs and Trees except for transportation charges.

VISITORS WELCOME.
